

NORTH TEXAS HEALING CENTER

Full-Time Acupuncturist Wanted ASAP!

POSITION SUMMARY:

North Texas Healing Center (NTHC) is a wellness clinic that offers a myriad of services including chiropractic care, massage therapy, BEMER treatments, Foot Detox baths, nutritional response testing, as well as autonomic response testing. We are dedicated to helping our patients achieve their health goals by using the aforementioned techniques that produce exemplary results along with our outstanding customer service. We are excited to offer our patients the added benefit of acupuncture to compliment and work alongside our currently offered services.

ABOUT US:

North Texas Healing Center is a holistic wellness clinic with focus on locating and eliminating causes for symptoms and disease processes. We focus on eight causes and symptoms for diseases. Primarily food allergies, infections, heavy metals, toxic chemicals, scar tissue, emotional stress, misalignment of various levels of the spine and mineral and vitamin deficiencies.

WHY JOIN OUR TEAM:

- You have a unique opportunity to grow a patient base within our clinic as well as bring in new patients, which is beneficial to you AND the team.
- Staff members can purchase supplements at wholesale value as opposed to retail and are treated for free by the other practitioners in the office. Your immediate family will also have the opportunity to be treated by any of the practitioners with a discount applied to the services they receive.
- As a team, we are all focused on helping each other achieve our personal, professional, and financial goals.
- Our staff put our patient's needs first, making sure the patient is reaping a great benefit by choosing us and continuing to choose their health. We go the extra mile and go above and beyond the expectations of our patients to make sure they feel more like family than a number on a chart.

WHAT WE ARE LOOKING FOR:

- A practitioner who puts the patient's benefits in front of their own.
- Someone who has heart and passion to help others.
- An acupuncturist who is focused on helping patients get the results they seek, using whatever techniques applicable to achieve that goal.
- An individual that has a strong work ethic and wants to work along side the other practitioners to provide a well-rounded approach to each individual patient's health.
